Dr. Karen Hacker
Allegheny County Health Department
542 Fourth Avenue
Pittsburgh, PA 15219

Dear Dr. Hacker,

On behalf of the West Allegheny School District, I would like to thank you and the Allegheny County Health Department for extending the opportunity to become a Live Well Allegheny School District. Our district is committed to creating a healthy environment for all students, staff members, and administration.

We look forward to our partnership with the Allegheny County Health Department along with other districts in the region who are committed to health and wellness. Attached, please find the activities and initiatives that the district is already doing and has planned for the upcoming year. Ms. Hannah Hardy has been an excellent resource for us, and we welcome any additional feedback that you may be able to provide.

Thank you again for the opportunity to be a Live Well Allegheny school district. We look forward to working with you and other districts within Allegheny County. We strongly believe that healthy bodies go hand in hand with healthy minds. This initiative from Allegheny County Health Department will have lasting benefits on the members of our community.

Sincerely,

Dr. Jerri Lynn Lippert
Superintendent
West Allegheny School District
